Athletic Directors and Coaches,

Please distribute this memo to your athletes, parents, and fans.

TEAM/BUS PARKING

Team buses may enter Lincoln Drive Park from 13th Ave S/Lincoln Drive. The unloading of buses will be the biggest challenge of this large meet. We need your help to unload buses as quickly and efficiently as possible on the 24th. Please read the following information carefully, if you have ANY questions please contact Sean Allan at 218-779-6541.

- **Sept 23rd – Course Preview**
 - Buses can park along the lower loop (Location #1) from 4pm until 8pm
 - Please pull up and park near the bus in front of you to allow maximum amount of buses to be in the lower loop.
 - Teams can put up tents or pick a location. You can leave tents and equipment out overnight, we will have someone staying onsite all night for safety.

- **Sept 24th – Meet day**
 - **10am – 11:30am**
 - Buses can drop off teams on the lower loop (location #1) Buses will then need to proceed around the loop towards the entrance of the park and exit.
 - Buses will be able to park at Schroeder Middle School (800 32nd Ave S, Grand Forks), Kelly Elementary (3000 Cherry St, Grand Forks, ND), or anywhere in town the bus driver chooses to visit.
 - If the coach is also the bus driver we will have limited designated bus parking along Lanark Ave inside the park, located near the dog park. There will be bus parking signs in this location.
 - **After 11:30am**
 - The lower loop of Lincoln Drive park will be closed to all vehicles and unloading of buses will be done along Plum Ave (Location #2).
 - There will be pick-up trucks and drivers available to help transport tents, coolers, etc. down to the team camp locations.

Loading of Buses

- Prior to competition of last race (JV Girls 3:30 pm) all loading of buses will occur along Plum Ave.
- After the last race (approximately 4:00 pm) the lower loop of Lincoln Drive will open up and buses can proceed, carefully, along that road to pick up their teams.

Please pull forward to the back of the bus in front of you and load quickly to allow everyone to exit the park in a timely fashion.
