

Parents Letter: Week 6 – April 3rd – April 7th

Hello GFC Boys Track & Field Parents,

Another week, and another winter storm. It is hard to predict what will happen this week due to the weather. But my “best guess” with the information available, this Sunday night is that we will not have school on Tuesday and Wednesday. Therefore, we will lose our meet on Tuesday. Hopefully Thursday we will be able to host our EDC Indoor meet. We are planning on opening up that meet to more entries, since there is no school the next day, to allow more athletes to complete. Please keep checking our website and our GroupMe for updates on our meet schedule.

FYI on future meets: GFC/RR are looking at several different options right now to get in meets. Possibilities are Minot April 15th, Eagles Relays April 21st being moved to Minnesota, and additional indoors at UND on April 22nd and April 29th.

GFC and RR will be selling packaged items, Gatorade and water at the remaining indoor meets as a fund raiser. We need parents to bring items like cliff bars, bananas, granola bars, Gatorade, and water so we can sell them. UND will no longer allow us to sell home-made baked items. We will also need parents to sign up to work 1 hour shifts, selling items at the meet. [Link to google sign up](#)
